Inspiring Confidence in Every Individual

As Remote Teaching becomes the norm, we know that the next few weeks will be a challenge in many ways. The importance of offering educational value is paramount in everyone's minds. We are really keen to help and to give time remotely (Live or Pre-recorded) in whatever capacity helps. There are some suggestions listed below but we're always open to ideas!

James Shone **** LIVE **!**

James can join you live as part of a lesson, meeting, assembly, chapel service or on a 1:1 basis. Sessions last from 10 minutes to 1 hour:

- Tutor Sessions

- Assemblies & Chapel Services
- PSHE Lessons
- One to one mentoring / conversations with pupils or staff
- Careers advice Workshop:

Charges:

We will continue to provide services **free of charge** to all state schools and won't be charging our usual fees to private schools until things return to normal. All we'd ask is for a small donation to the charity if your school can afford it.
